

## **DABS/SBAS Golf Tournament 2010 Thursday 14 October**

**Dear Members and Sponsors,**

**On Thursday, 14 October, DABS and SBAS will be organizing the first Danish-Swedish Golf Tournament at the Laguna National Golf & Country Club, 11 Laguna Golf Green, Singapore 488047.**

**We are inviting sponsors for our 18-hole golf event. Each hole to be sponsored by S\$1000. As a sponsor of a hole, you are entitled to display your company name, logos and staff next to your hole, promoting your company and your products. You are also welcome to provide any goodies you seem fit to the players. We suggest that you arrange to hand those goodies out to the players on your respective tee. You are free to offer a novelty prize on your "own" hole, such as "nearest to the pin" or "longest drive".**

**We would also welcome any substantial donation to the general prize table.**

**We hope The Tournament will see a participation of a minimum of 120 golfers from all parts of the Nordic business community. As a sponsor, this will offer you a great opportunity to promote your company and your products to an influential segment of Singapore's business community.**

**Please register your interest by Wednesday 15 September by email to Line Klitgaard at [dabs@dabs-singapore.com](mailto:dabs@dabs-singapore.com)**

**The hole sponsors are on a "first come first served basis", so don't wait!**

**We look forward to your favorable reply.  
The Golf Committee**
